

PLAYER / PARENT CONTRACT

We, the parents/guardians of _____, have read the before mentioned information concerning the policies and practices of Maverick Volleyball Club (hereafter called the Club). We agree, that having been selected to a team, to let my child join for the 2012 club season.

We understand that we are responsible for all fees due by the player as well as her transportation to practices and tournaments beginning in January. Maintaining membership on a specific team will be at the discretion of the director of the club. Promotions and demotions are possible depending upon development of the individual player including her commitment, coach ability and behavior.

We have read this material and understand the time commitment involved in practice and competition. We have reviewed the fee schedule and agree to pay all fees in full regardless of the duration of participation. This is due to the fact that membership in the club is limited and others will be denied a position by your acceptance of a position in the club.

Understanding the stipulations and having discussed these with our child, we agree to support her participation in the club. We understand that once registered with, and having competed with the club, the player will be unable to transfer clubs and compete in USAV, JVDA Regional and National Championships.

This contract supersedes all prior oral or written representations or communications between all parties. It also constitutes the entire understanding of the parties regarding the subject matter of this agreement, and may only be modified or amended by written supplement signed by both parties.
